

FROM BASIC NEEDS TO LASTING CHANGE

We are committed to connecting diverse voices and maximizing resources to collectively strengthen Kenosha County, so all can thrive.

WHAT WE'RE UP AGAINST

For over 100 years, United Way of Kenosha County has been bringing people together to create lasting change. While the challenges facing our community have evolved, our commitment has remained constant: building an equitable Kenosha County where every individual has the opportunity to be healthy, educated, and financially stable. Through strong partnerships, local investments, and community-driven solutions, we continue to unify voices and amplify resources to help our neighbors live better, safer, and more successful lives.

WE ARE HERE ...

> TO MEET IMMEDIATE NEEDS

For many families, making ends meet is a daily challenge. 37% of VITA participants use their refunds for essentials like food, housing, and utilities. These resources help stabilize households and strengthen their path to financial security.

> TO BUILD YOUTH OPPORTUNITY

Our literacy tutoring program, Readers Are Leaders, supported more than 100 students this year, equipping them with critical skills and confidence to succeed. By focusing on third-grade reading proficiency, we are helping children build the foundation to thrive in school and beyond the classroom.

> IN TIMES OF CRISIS

When challenges arise, 211 serves as a lifeline for Kenosha County residents. Last year, 4,742 referrals were made, connecting people to housing support, mental health services, food resources, and more.
