

HAVE YOUR TAXES PREPARED FROM HOME

**United Way
of Kenosha County**
VOLUNTEER INCOME TAX ASSISTANCE

United Way of Kenosha County has teamed up with GetYourRefund.org to help you file your taxes online with the help of IRS-certified VITA volunteers

How It Works

1) Answer Questions

You'll be asked a series of questions about your household and finances

2) Upload Your Tax Documents

Securely upload pictures of your tax documents, Social Security card/ITIN, photo ID and picture of yourself holding your photo ID

3) Informational Interview

An IRS-certified volunteer will contact you to make sure that we have everything we need to accurately prepare your tax return

4) Your Taxes Are Prepared

To ensure accuracy and give you the best refund possible, each tax return goes through a quality review process

5) Final Review

You will be contacted by a IRS-certified volunteer to review your completed tax return with you. After the call, you'll be sent a password-protected, electronic copy of your tax returns to e-sign. With these signatures, we can e-file your Federal and State returns.

6) Get your refund

After your returns are e-filed, all you have to do is wait for your refund to arrive.

What You'll Need

- ⇒ Computer or smartphone
- ⇒ Access to secure Wi-Fi or data
- ⇒ Picture ID, driver's license
- ⇒ Social Security cards for everyone on your return
- ⇒ Tax documents including any W-2's, unemployment, pension, property tax bill or completed WI rent certificate
