

UNDERSTANDING HUMAN TRAFFICKING: THE INTERSECTIONS & COMPLEXITIES

LIVE LEARNING SESSION FOLLOW-UP RESOURCES

Thank you for attending *Understanding Human Trafficking: The Intersections & Complexities*, a Live Learning Session presented by United Way Worldwide's Center to Combat Human Trafficking.

As you now know, human trafficking is compelling someone to work or engage in commercial sex acts for little or no pay through force, fraud, or coercion. It is an incredibly complex issue, to which we are all connected.

The following resources are intended to supplement the information you heard during the Live Learning Session. We highly encourage you to utilize these resources to learn more about the issue and begin engaging in the movement to combat it.

Additional information and resources can also be found at www.unitedway.org/endtrafficking.
